Experience

UI Designer - ELVTR UX/UI for Gaming

Jan 2024 – Feb 2024

- Completed Final Portfolio project showcasing the UI design process from paper prototype to final mock ups.
- Followed directions from the prompts provided by the instructor for each assignment.
- Illustrated or redesigned the necessary icons/art assets for screens.

Logo Designer/Print Illustrator - Freelance

Jan 2017 – Present

- Planned and executed logo concepts for small businesses.
- Designed special greeting cards and custom designs for clients to print for personal use.
- Organized and tracked the progress of multiple projects to meet deadlines.

Graphic Designer - Asian Students in Alliance at UNF

Sept 2016 – May 2017

- Created promotional material for events and apparel designs to advertise the club.
- Listen to feedback from the President and other officers to make the necessary changes to designs.
- Raised over \$150 in pre-order revenue for custom hoodies to support the club.
- Designed a frame to be implemented into Snapchat for attendees to use during our annual event: Road to Asia.
